

North Yorkshire Netball Association

Playing Regulations for HDNL

(HDNL Winter League)

1. Organisation & Administration

1.1 The HDNL subgroup will organise and manage the Harrogate and District Netball League (HDNL).

1.2 The decisions of the HDNL subgroup or its nominee(s), in respect of these rules and regulations and on any other matter related to the game which is not provided for below, shall be considered final and binding on all parties (subject to the right of appeal which is specifically provided for under disciplinary regulations).

1.3 It is the responsibility of all participants and officials in the League to ensure that they are familiar with the competition's regulations (www.netballnorthyorkshire.co.uk) and the England Netball Code of Conduct (www.englandnetball.co.uk).

1.4 All games in the HDNL will be played in accordance with the current Rules of England Netball (EN).

1.5 The HDNL competition will be played at indoor venues on Sunday mornings.

2. Playing Qualifications & Eligibility

2.1 All clubs / teams competing must be registered and hold a membership to England Netball (EN) and paid its subscription to North Yorkshire prior to the first match of the season.

2.2. Only female players are allowed to play.

2.3 The entry fee for the League will be determined by the HDNL subgroup.

2.4 By entering a team in the HDNL, clubs / teams / registered umpires agree that they will abide by these regulations, the EN Code of Conduct and that they are able and willing to fulfill all costs and commitments relating to the League where applicable.

2.5 All players must hold a current EN membership and be registered with a club in the Harrogate District Netball League before they can play in a HDNL game. Membership to EN must be paid before they can enter the HDNL.

2.6 Players can only play for one club within the HDNL and must be registered with that club in the league.

2.7 All players must be over 16 years of age at midnight on 31st August / 1st September prior to the commencement of the playing season, unless they have permission to play in the league for the current playing season, following the EN age banding procedure.

2.8 North Yorkshire Netball recommends that individuals (player, coach, umpire) if pregnant should only participate with approval from their doctor and in accordance with current guidance issued by England Netball.

"EN recommends that individuals (players, coaches, umpires etc) if pregnant should only participate with approval from their doctor and in accordance with any guidelines issued by EN. Neither EN, nor the registered netball organisation will be held liable for any pregnant individual participating in recognised and authorised netball activity should the expectant mother suffer a miscarriage or permanent damage to herself and / or unborn child as a result of participating. The EN Personal Accident cover will not provide any benefit for injury, loss, or expense due to

pregnancy, childbirth, miscarriage, or any consequence thereof. For example, if an 'Insured Person' who is pregnant is involved in an accident (not pregnancy related) and suffers a broken leg then, subject to claims validation, the policy would pay any broken bones benefit, the Hospital Confinement benefit and Temporary Total Disablement benefit due under the Personal Accident Insurance Policy resulting from this injury. However, if the absence or hospital stay is prolonged as a direct result of pregnancy, pregnancy complications or even early childbirth then this would not be covered. The programme of insurance that is centrally arranged by EN is provided as a Membership benefit and ensures that Affiliated Members (referred to in the Liability insurance documents as 'Registered Participants') and in the Personal Accident documents as an 'Insured Person' are covered for Liability and Personal Accident Insurance, at the level of cover applicable to their category of membership.

Please note this guidance supersedes previous guidance that players, coaches, officials should only participate up until their 12th week of pregnancy".

Note:

Rule infringement 2 (2.5, 2.6, 2.7) results in the match being void. Non offending team will be awarded 5 league points and 20 goals and offending team will be awarded 0 league points and 0 goals.

3. Registration of Squad Members/Umpires

Clubs / team must ensure their registered umpire has completed and submitted the HDNL Umpire Registration Form.

3.2 A minimum of 7 players must be registered. Any additions to the squad sheets must be lodged with the Results Secretary at least 24 hours before the fixture in which the additional player(s) wish to compete.

3.6 Players from the lower teams may play for the next highest team for no more than sixteen (16) quarters during the season.

If a player starts at the 17th quarter, it can only be for the next highest team. The player is then automatically moved into that team and is no longer eligible to play up again or to compete for a lower team.

3.7 Where a player plays for the next highest team (as in 3.6), it must be clearly recorded on the result card so your registration list can be updated by the Results Secretary.

3.8 Once a player has been registered on a squad sheet and played, she cannot transfer to another club and compete for that club in the competition during the current season unless approval has been sought from the HDNL via the lead of the HDNL subgroup.

3.9 Each team may declare up to twelve (12) players on the result card prior to the start of each match. Any of these players will be eligible to compete during the match.

3.10 Due to injury or pregnancy, a player may apply to the HDNL subgroup through the results secretary, to be transferred to a lower team within their club.
